We have the following cymbidium orchids available, the orchids come in different sizes and ages , Flowering size are 3-5 year old plants that should flower the next season, other orchids are 12-24 months old and should flower within the next 12 -24 months. The cymbidiums are shipped in their pots , 18/16cm baskets or 10-12cm pots. Where we can we have provided potential progeny descriptions as well as a picture of the expected outcome or actual flowerings , progeny could vary from what we describe depending on genes and variance somewhere in the parents ancestry Many of the cymbidiums are first of their types and won't be found elsewhere . New seedlings will be added from time to time , please enquire and send orders to paul@orchidology.co.za or Joshua@orchidology.co.za / www.orchidology.co.za. Courier guy service available.
